The bylaws of the Friends requires that we have one meeting a year to elect officers and do our business. This year the meeting is going to be on the Saturday, January 7, 2023 at 11am. We have the Alice Kase room reserved for this meeting, which is on the second floor of the library. Anyone who is a member of the Friends can run for an office at the annual meeting. Each office comes with a term limit of 2 years. The president, vice-president and treasurer plan to run for their 2nd year in office. Message from the President:

It’s been a long and productive year for the Friends. We had 11 sales this year, one every month except this coming January, when the Friends will take a well deserved month off. All of our sales profits provide support for children’s and community activities at the Socorro Public Library. Some of these activities included Reading is Fundamental, Summer Reading Program, Christmas entertainment, Dolly Parton Imagination Library, African Library Project and Free Adult and Family Yoga.

Our volunteers have been fantastic, stepping up to the plate to sort and organize the sales room weekly and helping with sales monthly. The time contributed by all the volunteers is reflected in our good sales volume. If anyone is interested in volunteering, we meet almost every Wednesday from 10am to noon in our Zimmerly book room. Feel free to come see what we do any Wednesday. Shopping is always permitted.

We are all set for most of next year. We have renewed our contract with the Socorro Public Schools, which has graciously donated our sales space until next August, 2023. We hope to negotiate another year at that time.

Julie Johnson, President

Book Sales Statistics

By Penny Lommen

We started selling books from the new room at Zimmerly in January of this year. Due to having more space, we are able to display many more of our books. Our “weekly warriors” have spent many hours sorting and alphabetizing books to make them more accessible to our patrons. Once the sales started, we were amazed at how many books were going out the doors—hooray! After the first few months we decided to keep some statistics as to what we were selling. Here’s what we’ve learned in the past nine months.

By these counts, we have sold just over 4500 books since April. If you do the math, it’s approximately 500 items per month. We’ve had some special sales featuring Science Fiction, Cook Books and Large Print. We have also had some “Bag Of” sales where our patrons could fill a bag full of a certain genre for a set price. We’re not really sure how many books go out in a bag but it’s a lot! A huge Thank You to everyone who comes to the sales. We appreciate you so much!

Kiwanis of Socorro County: Good Bye and Thank You!

Kiwanis is an international service club founded in 1915. We are all sad to hear that such a beneficial club, dedicated to improving the lives of children one community at a time, has closed its chapter in Socorro County. Kiwanis International is a global community of clubs with more than 550,000 members from K-Kids to Key Club to Kiwanis and many ages in between in 80 countries and geographic areas. Each community has different needs, and Kiwanis empowers members to pursue creative ways to serve the needs of children, such as fighting hunger, improving literacy and offering guidance.

The Friends of the Socorro Public Library want to thank the Kiwanis Club of Socorro County for a donation of \$665, so that we can continue to provide help to children in Socorro County by providing books and programming thru the Socorro Public Library. The Kiwanis made 4 donations to two organizations in Socorro and two in Magdalena.

Thanks for the opportunity to disperse this money, we will make sure this donation goes to the children of our community.
